VETERAN VOLUNTEER PROGRAM

Are you a veteran, military family member, or someone interested in assisting veterans at end of life?

Concord Regional VNA’s Hospice Program is a proud We Honor Veterans Partner Provider that serves a growing segment of our patient population – our veterans. As a Partner Provider, our agency recruits and trains Veterans and others who want to support Veterans who are hospice patients.

We pair Veteran Volunteers with hospice patients who have been identified as Veterans. When Veterans interact, their common language and experiences can build trust and strong relational bonds can form. Veteran Volunteers offer companionship, interaction, comfort, and family member support.

VETERAN VOLUNTEERS:
